An Invitation . . .

All the consignors and the sale manager are happy to invite Shorthorn and Polled Shorthorn breeders and all others interested in good cattle to a Joint Show and Sale at

HAWKEYE DOWNS FAIRGROUNDS

Cedar Rapids, Iowa

Saturday, March 22, 1958.

The Show: 9:00 A.M.

The Sale: 12:45 P.M. sharp.

The 10th HAWKEYE DOWNS SHORTHORN SALE

and

The 19th HAWKEYE DOWNS POLLED SHORTHORN SALE

The purposes of the Hawkeye Downs sales are: to provide a meeting place for the good breeders of Iowa, Minn., Wisc., Ill., and Mo. to offer their cattle in large numbers and for the prospective buyers to have a convenient and comfortable place to buy real good cattle to fill their needs.

The cattle in this fine offering come from many of the leading breeders in eastern Iowa and western Illinois. You will note that this is a large offering so that buyers may have many cattle to make their selections from.

You find an offering of grand bulls and fine females and possessing the richest bloodlines. Choice Club heifers in numbers are available in this sale. Why not make your next selections, either Polled or Shorthorns, at Hawkeye Downs?

The offering:

Shorthorns:	24 bulls, 17 cows and heifers, 10 Club heifers.
Polled "	10 bulls, 7 cows and heifers, 5 Club heifers.

Ross Long and his son, Homer, of Grundy Center, Iowa, will act as judges of the pre-sale show.

Louis Kester, Don Penningroth, Ralph Stirm and KaDel Urice compose the sale committee from the consignors of both auctions to act as consultants and assistants to the sale manager.

We cordially invite you to be with us on March 22nd and request that you make yourself known to the sale manager and the consignors.

Earl S. Girton, Sale Manager
Box 321, Marshalltown, Iowa.

P.S. Much emphasis is being placed on weight for age. If scales are available we plan on weighing the bulls as they enter the judging ring. The plan is to alternate the judging of classes between both branches of the breed so as to speed up the forenoon's work and be ready for the auction at 12:45 P.M.

ROYAL ENVOY - I think you will like this dark red grandson of Imp. Lawton Victory. I thought enough of this bull to use him on several heifers and he is a sure breeder. He is good boned, short legged, mellow fleshed with a good head and a deep red color.

SCOTSDALE KINROSS

A recent amateur snapshot of Scotsdale Kinross, the senior herd bull for Urice Bros. He was purchased two years ago from Scotsdale Farm in Ontario at a cost of \$2,500 because of his individuality and breeding. He is line bred to Calrossie Welcome, as his sire, the Perth Grand Champion, Calrossie Perfect, and his dam are both by Welcome. Kinross's first crop of calves are developing out with justifiable pride. Lot 25 sells with a heifer calf at side by Kinross.

Morris Bros. Consignment from Aledo, Illinois.

They always consign several big, rugged, strong age, dark color bulls to our Hawkeye Downs sales. On account of an adjustment in the estate of the late Robert Morris, the pedigrees for the three bulls have not reached us in time for the catalog; but we are holding numbers for them as we have assurance that the bulls will be at the sale.

BEACON'S FAVORITE x - Here is a growthy, rugged bull, with smoothness and good topline and tail setting. Has a good clean polled head and should be a good dehorner. His dam's sire was a 100% dehorner and from the good Select Belle Orange Blossom family that originated from Hultines of Nebraska. This bull has been used and is a sure breeder, having several cows mated to him.

ALAUNA DANDY VIKING x

Is very lowset, deep and thick. He could have a darker color but he should sire top Club calves. Note that he is by the same sire as "Alauna Proud Viking x", the 1956 Congress Grand Champion bull that sold for \$1000. His dam is by Alauna Lord Collynie x that sold for \$2,500, and also of the 1950 Congress Grand Champion female, ShirMaRita Broadhooks. Real breeding here.

Shorthorns—the Reds, the Whites and the Roans
The breed with the most in every weigh
To the north, south, east and west they roam
It's the breed that surely pays.
